Re: *Application by SBC Communications Inc., et al. for Provision of In-Region,  
InterLATA Services in Nevada*, WC Docket No. 03-10

Dear Ms. Dortch:

On behalf of SBC Communications Inc. ("SBC"), I am attaching at the request of Commission staff a CD containing Nevada Bell's and Pacific Bell's performance measurement results through February 2003. Specifically, the enclosed CD includes the following:

1. A folder called "NV Gold Excel," which contains Excel files (corresponding to each performance measure) reflecting 12 months of CLEC aggregate results per submeasure for Nevada Bell.
2. An Excel file called "NV\_CopperPenny\_Feb03.xls," which cross-references the numbered submeasures with their descriptions.
3. An Excel file called "NV\_SpecialHOMR\_Feb03.xls," which contains the past five months of data for Nevada Bell.
4. An Excel file called "NV\_Pyrite\_Feb03.xls," which contains the Gold report information (without the charts), as well as the derived p-Value and the critical p-Value for aggregate CLEC results.
5. A folder called "CA Gold Excel," which contains Excel files (corresponding to each performance measure) reflecting 12 months of CLEC aggregate results per submeasure for Pacific Bell.

No. of Copies rec'd 012  
List ABCDE

6. An Excel file called "CA\_Tangerine Feb03.xls," which contains statewide aggregate CLEC results for those measurements that are officially reported only by the four California Areas (North, Bay, LA, and South).
7. An Excel file called "CA\_SpecialHOMR\_Feb03.xls," which contains the past six months of data for Nevada Bell.

In accordance with the Commission's rules governing ex parte communications, SBC is filing an original and two copies of this letter and its enclosure. Thank you for your assistance in this matter.

Yours truly,

A handwritten signature in black ink, appearing to read "Colin S. Stretch".
